				PART B (Financial Stateme		3)						
-	-	18	Ans. Ch as they, Cheque	cheques and Draftsstatement. Why?  Ins. Cheques and Drafts in hand are not considered while preparing cash flow statements is they, being cash and cash equivalents, are part of cash management of the enterprise.  OR  heques and Drafts in hand are not considered while preparing cash flow statements as ney are part of cash and cash equivalents only.								
-	-	19	they are part of cash and cash equivalents only.  Q. State any twoflow statement?  Ans. Advantages of Cash Flow Statements: (Any Two)  It helps in short term financial planning by providing information about sources and application of cash and cash equivalents for a specific period.  It helps in efficient cash management as it gives information relating to surplus and deficit of cash  It facilitates comparative study by enabling comparison of actual cash flows with budgeted cash flows.  It helps investors and creditors evaluate management decisions by providing information relating to company's investing and financing activities.  It helps in deciding how much dividend should be paid as it provides information about availability of cash and cash equivalents.  It helps to identify reasons for a low or high cash position in comparison to the profit position.  It helps the users to assess the liquidity and solvency of the enterprise.  It helps in balancing cash inflows and outflows keeping in response to the changing
