The Nationalism emerged in Vietnam:

The colonization of Vietnam by French brought the people of the country into conflict with the colonisers in all areas of life. Vietnamese began reflecting on the nature of the loss. Nationalist resistance developed out of this reflection. Teachers, students fought against the colonial government's efforts. Many religious movements were hostile to the western presence. Development in China also inspired Vietnamese nationalists. Vietnamese students organized in association for the restoration of the anti-French independence movement changed.

17 **State parties seeking National level coalition:**

Before general election of 2014, in three general elections no one national party was able to secure on its own a majority in Lok Sabha. With the result the national parties were compelled to form alliances with state or regional parties. Since 1996, nearly every one of the state parties has got an opportunity to be a part of one or the other national level coalition government. This has contributed to the strengthening of federalism and democracy.
