

Biodiversity and its Conservation

Set – 1

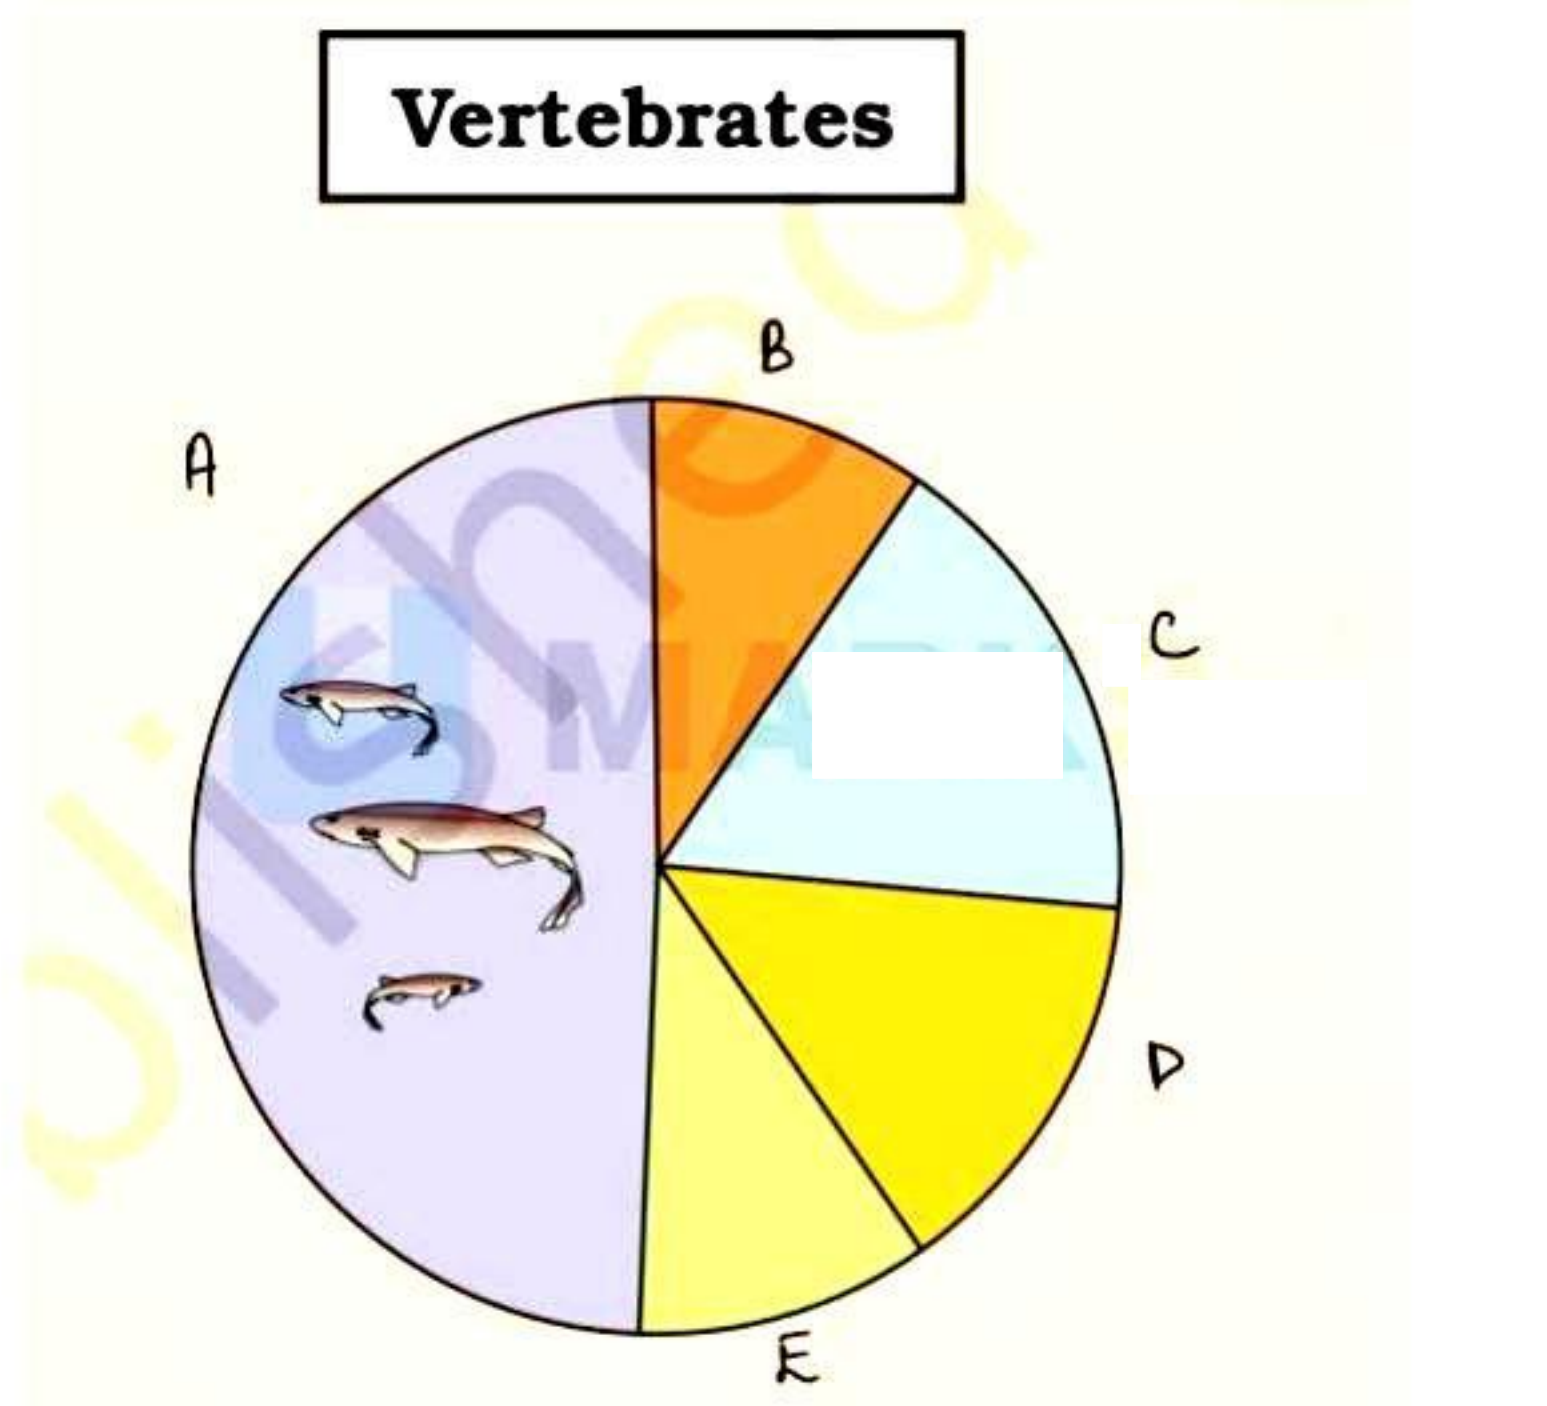

Q1. Select A, B, C, from the following figure respectively.

- A. Molluscs, Crustaceans, Insects
- B. Echinodermata, Crustaceans, Arthropods
- C. Crustaceans, Molluscs, Insects
- D. Echinodermata, Crustaceans, Insects

Ans. (A)

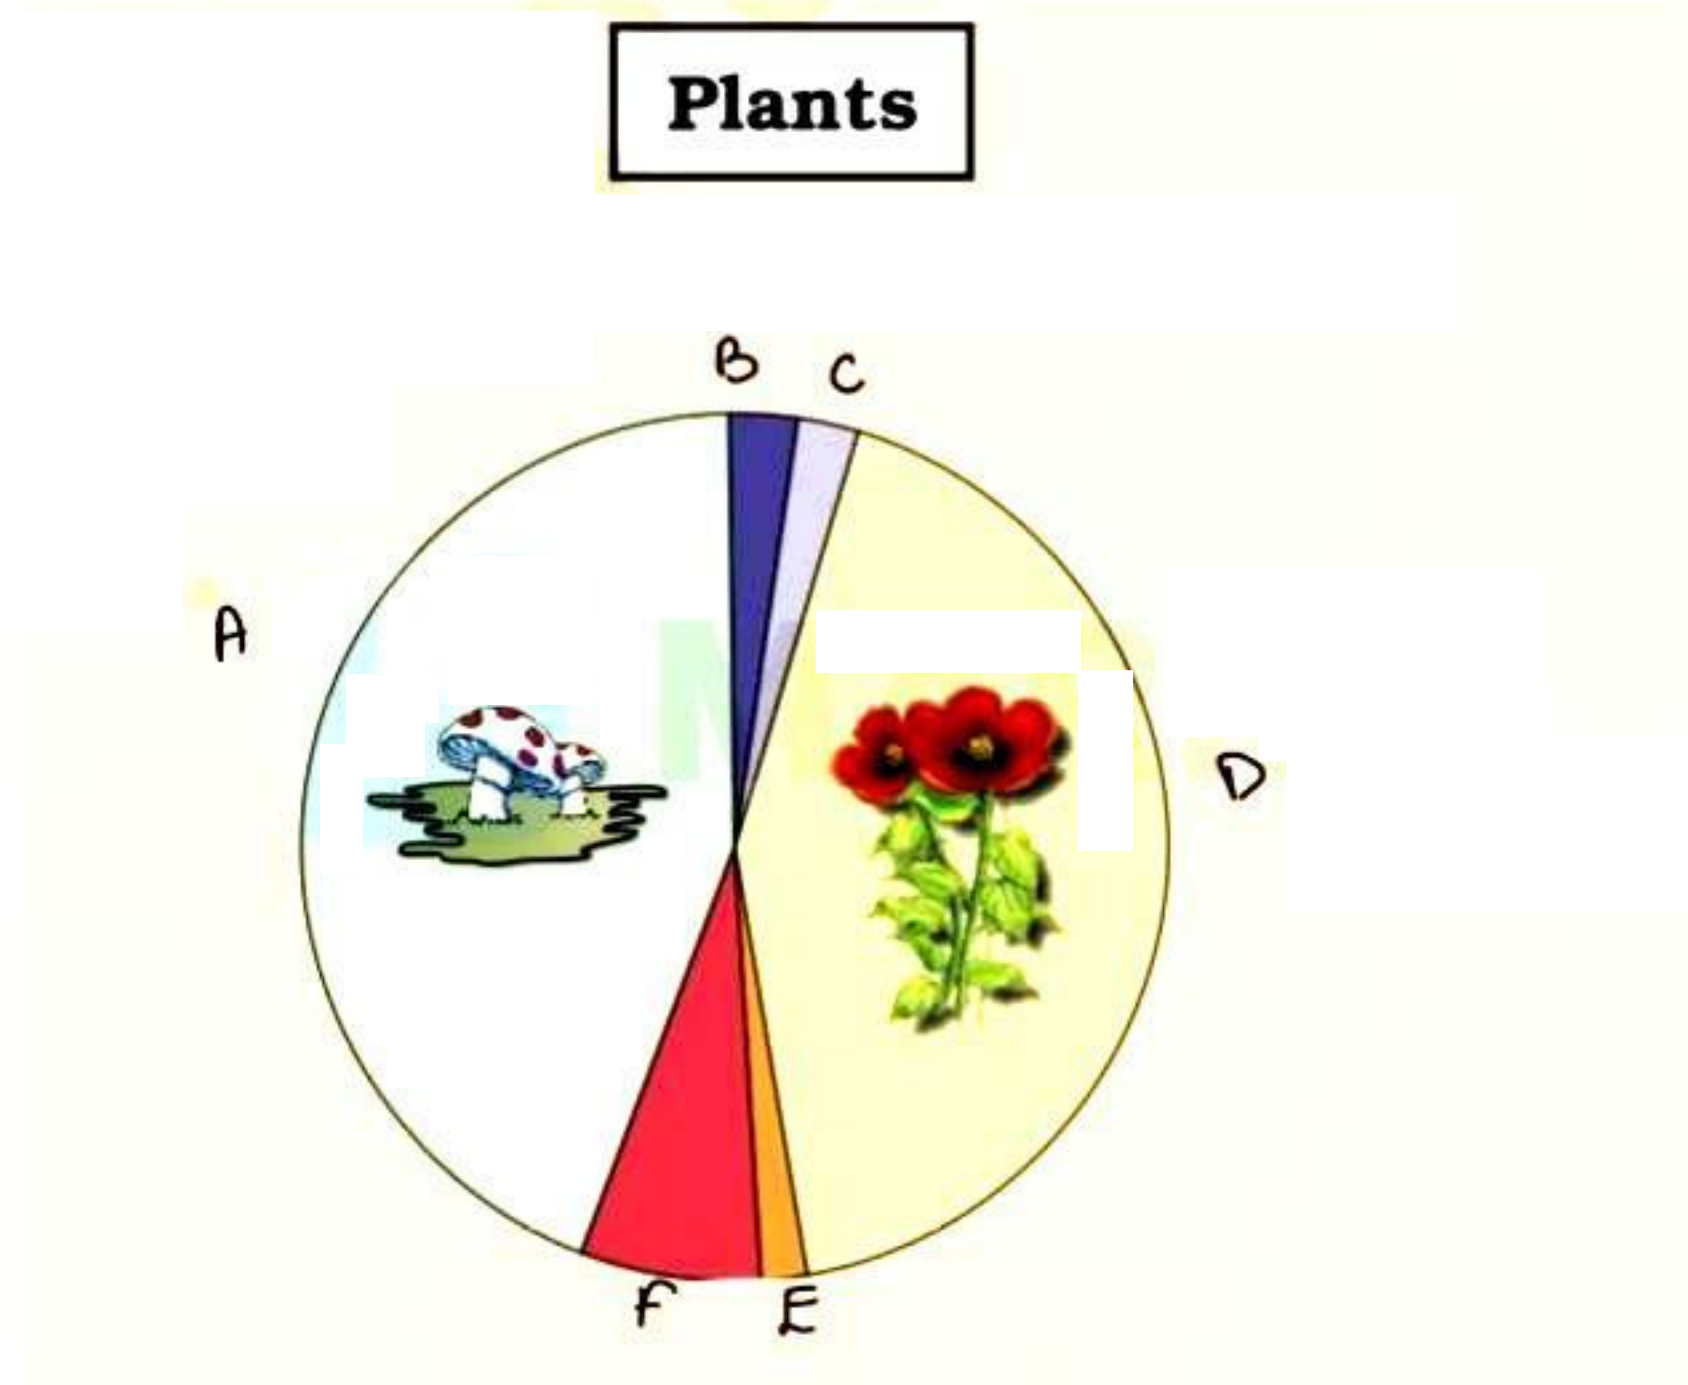

Q2. Select A, B, C, D, E from the following figure respectively.

- A. Fishes, Birds, Reptiles, Mammals, Amphibians
- B. Fishes, Mammals, Amphibians, Birds, Reptiles
- C. Fishes, Mammals, Birds, Reptiles, Amphibians
- D. Fishes, Mammals, Reptiles, Birds, Amphibians

Ans. (C)

Q3. Select A, B, C, D, E, F from the following figure respectively.

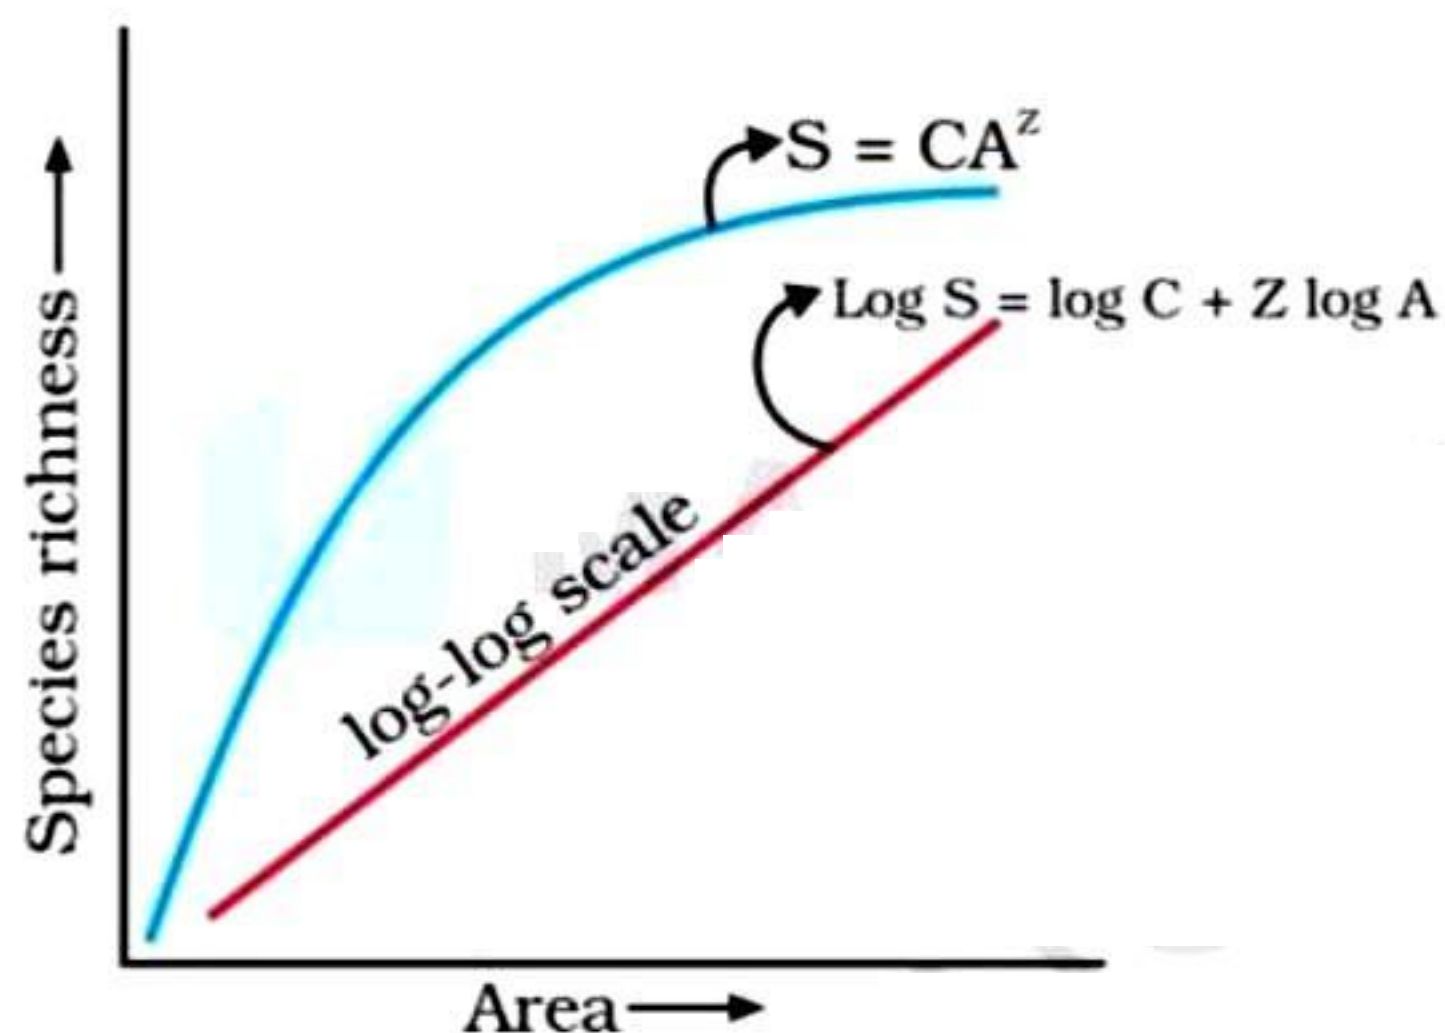

- A. Fungi, Mosses, Ferns, Angiosperms, Algae, Lichens
- B. Fungi, Mosses, Ferns, Angiosperms, Lichens, Algae
- C. Fungi, Ferns, Mosses, Angiosperms, Lichens, Algae
- D. Fungi, Ferns, Mosses, Angiosperms, Algae, Lichens

Ans. (B)

Set – 2

Q1. What does the following diagram represent?

- A. Species Area Relationship
- B. Genus Area Relationship
- C. Population Area Graph
- D. Species Richness Relation

Ans. (A)

Biodiversity and its Conservation

Set – 1

Q1. Select A, B, C, from the following figure respectively.

- A. Molluscs, Crustaceans, Insects
- B. Echinodermata, Crustaceans, Arthropods
- C. Crustaceans, Molluscs, Insects
- D. Echinodermata, Crustaceans, Insects

Ans. (A)

Q2. Select A, B, C, D, E from the following figure respectively.

- A. Fishes, Birds, Reptiles, Mammals, Amphibians
- B. Fishes, Mammals, Amphibians, Birds, Reptiles
- C. Fishes, Mammals, Birds, Reptiles, Amphibians
- D. Fishes, Mammals, Reptiles, Birds, Amphibians

Ans. (C)

Q3. Select A, B, C, D, E, F from the following figure respectively.

- A. Fungi, Mosses, Ferns, Angiosperms, Algae, Lichens
- B. Fungi, Mosses, Ferns, Angiosperms, Lichens, Algae
- C. Fungi, Ferns, Mosses, Angiosperms, Lichens, Algae
- D. Fungi, Ferns, Mosses, Angiosperms, Algae, Lichens

Ans. (B)

Set – 2

Q1. What does the following diagram represent?

- A. Species Area Relationship
- B. Genus Area Relationship
- C. Population Area Graph
- D. Species Richness Relation

Ans. (A)
