Answer 21

Under the unitary system, either there is only one level of government or the sub-units are subordinate to the central government. The central government can pass on orders to the provincial or the local government.

In federal system government and its powers are divided at Union and State level, in some countries even at local self-level. In this system, the central government cannot order the state government to do something.

In federal System State government has powers of its own for which it is not answerable to the central government. Both these governments are separately answerable to the people.

Answer 23

Answer 31

1. In Awadh, the movement was against the talukdars and landlords who demanded exorbitantly high rents and a variety of other cesses. Additionally, the peasants had to do begar (forced labour and work without any payment). Therefore, the peasant movement demanded reduction of revenue, the abolition of begar and social boycott of oppressive landlords.

2. Led by Baba Ramchandra (a sanyasi), Jawaharlal Nehru and a few others, the Oudh Kisan Sabha was set up in different regions. When the Non-Cooperation Movement was launched, talukdars and merchants were attacked and looted and many local leaders declared that no taxes were to be paid and the land was to be redistributed among the poor.

3. In the Gudum Hills of Andhra Pradesh, a militant guerilla movement spread in response to the colonial government's orders. Large areas of forests were closed, preventing the forest people from grazing their cattle and collecting fuelwood and fruits, which affected their livelihoods and led to a denial of their traditional rights.

Answer 32
