A Clean Park

Jumpy monkey went to the park daily to play. Jumpy's friends, Parry frog and Danny deer also came to play in the park. They used to play games like hide and seek, badminton, kho-kho etc.

Everything was fine in the park but it wasn't clean. There was litter everywhere like wrappers, banana peels, groundnut shell.

One day Jumpy's friend, Coco crane came to meet him from another jungle. Jumpy was very happy to see his friend. They decided to go to the park and play with other friends. They both walked to the park. Coco was shocked when he saw the park and said, "Jumpy, do you play in such a dirty place? There's garbage everywhere. I'll not play here. We should clean the park and then play."

So all friends agreed. They started cleaning. They formed heaps of garbage and threw it in the dustbin. Now, the park looked clean and tidy. Coco said, "We should throw garbage into the distbins. To keep all public places clean is our duty."

Everyone agreed with Coco. They made a sign board with big bold letters saying. "**Please do not litter in the park.**" They fixed this on the park's gate. Finally the park was fit to play in and everyone enjoyed in the clean park.
