In which professions is a person forced to stay away from his home/ homeland for a long time? Try to guess why the poet is forced to stay away from his home?

SOLUTION

A person is forced to stay away from his home/homeland for a long time if he is an artist - could be an actor, a writer, a model, a businessman, an interpreter, a trader, a dancer, a singer, etc. A poet needs to be constantly on the move so that he gets inspired to write and create poetry. I think this is the reason the poet is forced to stay away from home.
