Exercise | Q 3.1 | Page 5

Give reason.

There is a close relation between history and geography.

Solution:

1. Time, place, society, and individuals are four major pillars without which history cannot be written.
2. Of these four components 'place' is related to geography or geographical conditions.
3. This makes history and geography inseparable i.e. very closely related.

Exercise | Q 3.2 | Page 5

Give reason.

People are forced to leave their settlements.

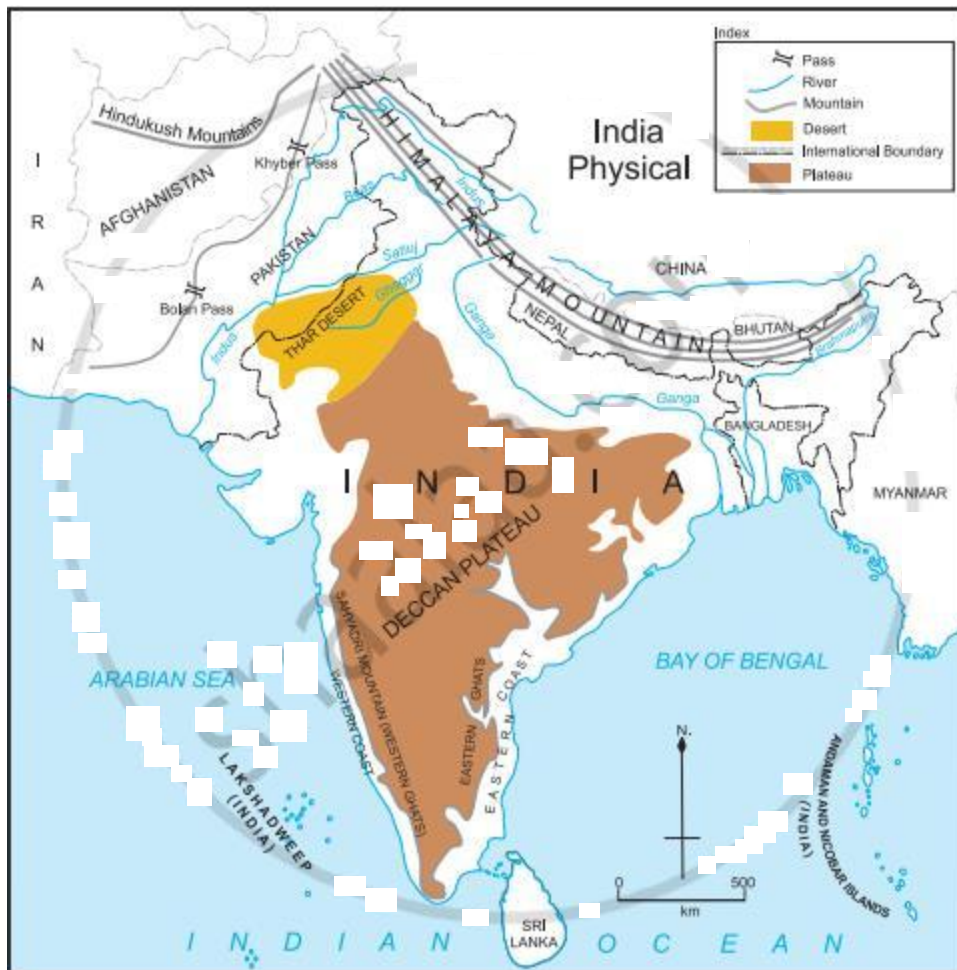

Solution:

1. Sometimes reasons like degradation of the environment, drought, invasion, etc. lead to scarcity of means.
2. Therefore, people are forced to leave their settlements in their fight for survival.

Exercise | Q 5 | Page 5
